

Pr Dr Ing Anne-Marie Jolly

Anne Marie Jolly is Member of the French Accreditation Agency CTI and Board Member, she acts as Head of Quality Assurance Working Group in CTI.

She is now Professor Emeritus at University of Orleans in the field of Process Control and advisor of the dean. From 2008 to 2012 she was dean of Polytech Orleans, French Grande Ecole in Engineering. She is responsible of Working Group Sustainability in Engineering in SEFI, where she belongs to AC.

Since 2002 she designed many engineering curricula including SD preoccupation: smart building, entrepreneurship, green logistics. She is very concerned by gender equality in the scientific world.
