## **SECTION 1 ORGANISATION**

### **THE GENERAL ASSEMBLY**

#### **Article B1 - MEETINGS**

The meetings of the General Assembly are held at least once a year either in the ENAEE registered office in Brussels or upon invitation of a Member in his country. The host Member is responsible for the physical arrangements and the provision of the facilities required by ENAEE. Travel and accommodation expenses are taken over by each participating Member. If the General Assembly takes place in another location than Brussels, ENAEE will reimburse travel and accommodation expenses for the secretary of the Permanent Secretariat.

The Permanent Secretariat on behalf of the President shall send to the Members the invitation to the General Assembly together with the draft agenda, with two months' notice. All material for decision-making at the General Assembly will be prepared by the Permanent Secretariat and mailed to the Members normally one month in advance.

The agenda shall include the items specified by the Administrative Council and/or requested by a Full Member. The meetings of the General Assembly are presided over by the President. If the President is unable to attend, the GA shall elect a chairman for the session. Whenever possible, the annual GA will be held in conjunction with a public "Workshop" open to discussion and presentations.

The minutes of the General Assembly are recorded by the secretary (see Article B9) and kept at the Permanent Secretariat.

#### **Article B2 - PRESENCE AND REPRESENTATION**

Each Member appoints/sends at least one nominated delegate to the General Assembly. A Full Member sends at least his Voting Delegate (see Article S12). An update of the list of the GA Voting Delegate list is done annually by the Permanent Secretariat.

If a Full Member wants or is obliged to change his Voting Delegate, he may do so by informing in writing the Permanent Secretariat before the General Assembly.

ENAEE Officers such as the President, Treasurer and the other Members of the Administrative Council are not and do not count as delegates of the Member, unless they have been expressly so identified.

A Member may give a proxy to another Member. However, a Member is limited in the number of proxies at any General Assembly (see Article S14). Voting by proxy is limited to decisions listed on the agenda of the General Assembly. Confirmation of proxies has to be received in writing at the Permanent Secretariat of ENAEE at least 10 days prior to the General.

If needed, the President has a casting vote, except for his re-election (as President or Member of the Administrative Council) and for the election of his successor as President.

In general, the secretary is in charge of counting the votes cast and overseeing the conduct of the voting.

The President has the possibility to invite non-Members as observers.

### **ADMINISTRATIVE COUNCIL**

#### **Article B4 - MEETINGS**

The Administrative Council is convened by the President whenever necessary or upon request of 1/3 of the Members. The notice for meetings is served by means of an invitation sent out by the Permanent Secretariat by e-mail not less than one month in advance. The agenda of the meeting is prepared by the Permanent Secretariat, in consultation with the President, and circulated to Administrative Council Members preferably not less than two weeks before the meeting.

If not otherwise specified, meetings of the Administrative Council take place at the ENAEE office in Brussels. A meeting of the Administrative Council may also be organised on line.

The minutes of the Administrative Council are produced by the secretary and revised by the President. They are circulated by the Permanent Secretariat to the Members of the Administrative Council preferably one month before the next meeting of the Administrative Council, where they need to be approved. The minutes are kept at the Permanent Secretariat and put on the ENAEE website.

#### **Article B5 - EXPENDITURE**

The travel and accommodation expenses for AC meetings of each member of the AC are the responsibility of the Member organisation that submitted her/his candidature. In justified cases, the AC will decide if ENAEE takes over the travel and accommodation expenses for a member, on a cost occurring basis.

If the Administrative Council meeting takes place in another location than Brussels, ENAEE will reimburse travel and accommodation expenses for the secretary of the Permanent Secretariat.

## **Article B6 - ELECTION OF THE MEMBERS OF THE ADMINISTRATIVE COUNCIL**

Each forthcoming vacancy on the Administrative Council and for the President is formally notified by letter from the President to all Members, at least 2 months before election.

Candidates to the Administrative Council and for the President are proposed by one or more Members one month before the election. The proposals are sent to the Permanent Secretariat of ENAEE.

A candidate proposed by a Member association does not need to be a staff or a Member of relevant boards of this association. Each proposal must be accompanied by a CV of the candidate and a short statement explaining her/his interests in becoming elected.

These documents will be circulated by the Permanent Secretariat together with the list of candidates among the Members of ENAEE.

Candidates for election to the Administrative Council and for election as the President must have the following qualifications:

- fluency in English,
- familiarity with ENAEE's modus operandi, and be active within the field of activities of ENAEE,
- should be professionally active or hold office in a professional or academic engineering organisation.

The Members of the Administrative Council and the President are elected for periods defined in Art. S15 and S16.

The elections must take place at least one month before the expiry date of the mandate of the previous Members and the President, which is the 31st of December of the appropriate year. The new Members and the new President take office on the following day (1st January). From the date of the election, the President-elect is invited to all meetings of the Administrative Council.

Vice-presidents and Treasurer are appointed by the Administrative Council, according to Art. S17 and S20; their office ends with their mandate as Administrative Council members, it can be renewed by the Administrative Council in case of re-election.

An Administrative Council Member who fails to attend two consecutive meetings of the Administrative Council without a valid reason having been sent in writing to the Permanent Secretariat of ENAEE within two weeks after the second absence shall be deemed to have resigned.

In case of vacancies in the Administrative Council because of resignations or other causes, they will be filled each year by elections that will proceed according to provisions of Articles S18 and B6.

### **Article B7 - EUR-ACE Labels**

The labels referred to in Statute S6.1 shall be styled “European Accredited Engineering Bachelor Degree” and “European Accredited Engineering Master Degree”, and also as “EUR-ACE® Bachelor” and “EUR-ACE® Master”.

### **Article B8 - COMMITTEES AND WORKING GROUPS**

A) The Administrative Council may delegate responsibility for the conduct, supervision and co-ordination of a Committee or Working Group to one or more Administrative Council Members.

The Administrative Council appoints Members or invites the ENAEE Members to delegate persons to serve as Members on Committees and Working Groups.

The Administrative Council appoints the Chairs of Committees and Working Groups or delegates their election to the Members of the Committee.

If the Chairs of Committees and Working Groups are not Members of the Administrative Council, they can be invited to the Administrative Council meeting on a non-voting right capacity.

The Chairs of Committees and Working Groups submit regular activity reports to the Administrative Council at a frequency specified by the Administrative Council.

The competencies, powers and working methods for each Committee (Terms of Reference) are set forth in separate procedural documents that must be approved by the Administrative Council. The requirements for becoming a Label Committee member are stipulated in the document “Criteria for Membership of the Label Committee”.

#### **B) The EUR-ACE Label Committee (LC)**

The LC is a permanent committee, composed of one representative of each accreditation agency authorized to award the EUR-ACE label. Three months before the end of appointment, ENAEE Secretariat informs the relevant agency for the nomination of a representative for LC.

As of January 1 of each year, no more 1/3rd of the LC members shall be replaced to preserve continuity. In order to meet this requirement, the Administrative Council may extend the mandate of a LC member up to two years beyond the normal maximum of six years with the consent of the relevant agency.

The Chair of the LC is nominated by the Members of the Committee and appointed by the Administrative Council, for a 2-year mandate (renewable once), compatible with her/his appointment as a LC member.

The competencies, powers and working methods for the LC are set forth in “EUR-ACE Label Committee Procedures”, approved by the Administrative Council.

The travel and accommodation expenses for the LC meetings of each LC Member and the LC secretary, if not covered by other sources, may be covered by the ENAEE budget following a deliberation by the Administrative Council.

The travel and accommodation expenses incurred by the Members of the Review Teams formed by the LC are covered by the applicant Agency concerned.
