

ENAE E Members Forum

Session 1

Good practice in EUR-ACE label programme accreditation

Session moderator: Erbil PAYZIN (MÜDEK)

10:00-13:15

Guiding questions

- *How can the quality enhancement effects of EUR-ACE label programme accreditation be strengthened?*
- *Do the EUR-ACE Standards need to be adapted to new professional requirements and national or transnational Qualification Frameworks?*
- *How can synergies with other QA approaches be used for improving programme accreditation procedures and ensuring consistency?*

Sesion 1 Programme

10:00- 11:00 Two keynotes

10:00 *Prof. Lucien Bollaert (International QA expert)*

The challenges of IQA and EQA of engineering programmes: from international profile to new ways of enhancement and accountability

10:30 *Prof. Hans-Joachim Bargstädt (ASIIN, ENAEE LC member)*

Challenges and future developments in programme accreditation and the EUR-ACE system

11:00- 11:25 Coffee Break

11:30- 12:40 Three paralel workshops

12:45- 13:15 Plenary: Presentation of workshop results, wrap up by session moderator

13:15- 14:15 Light lunch break

3 Parallel Workshops (11:30-12:40)

Workshop 1: External programme accreditation: the benefits beyond the EUR-ACE label (KAST 01.07)

University experiences with external EUR-ACE label programme accreditation

Moderator: Prof. Birgül Tantekin-Ersolmaz (MÜDEK, ENAEE AC member)

Workshop 2: EUR-ACE programme outcomes in relation to national standards and requirements (KAST 01.29)

Continuous revision of standards: is there a need for changes in EUR-ACE standards in the context of new demands, revision of national standards and gained experiences?

Moderator: Prof. David Cleland (EngC, ENAEE LC member)

Workshop 3: «Lean» accreditation procedures: adjustment to purpose, use of synergies (KAST 00.45)

Aligning mandatory state accreditation (programme, institution or QA system) and voluntary professional EUR-ACE label accreditation

Moderator: Günter Heitmann (ASIIN/SEFI)
